

P-3521 MFP / P-3527w MFP

Is a great allrounder.

Do you need a multifunctional system with minimum space requirements? And, do you need a system that makes no demands but still actively supports you in carrying out your tasks by printing, copying and scanning productively and in the best quality? If so, the P-3521 MFP A4 black and white system is exactly what you need! Or, could you do with a little more, standard fax functions and a Wi-Fi interface? And, what about a colour touch panel? In which case, the P-3527w MFP is the better choice! No matter which system you opt for: You will definitely benefit!

What you can expect:

Understandable: A clearly laid out LCD control panel is available on the P-3521 MFP to help you input your jobs. Here, you can save complex, recurring jobs as programs and call them at any time with a simple press of a button. The P-3527w MFP is even more intuitive. It features a colour touch screen that can be individually adapted to the needs and tasks of the respective user. Complex functionality made easy!

Versatile: There are no limits set to productivity at the workplace as both systems can scan up to 40 black and white and 23 colour pages per minute. The systems print at a speed of up to 35 A4 pages per minute and offer the highest quality with a resolution of up to 1,200 x 1,200 dpi. To round off the picture, the systems feature many practical functions such as the automatic Skip blank pages function that filters out blank pages or the ID card copy function that duplicates double-sided, small-format templates on the front side of a single page.

Variable: Mobility is becoming increasingly important in the office. That's why you can also access both MFPs from your mobile end devices via the free Mobile Print app. In addition, the systems also naturally support the Apple AirPrint protocol as well as Google Cloud Print. And, for those who are completely independent, the P-3527w MFP also offers a Wi-Fi interface in addition to an Ethernet port.

Reliable: Good protective measures are needed when working with confidential data. When the 'Private printing' function is used, jobs with confidential content are only triggered on the system once a PIN has been entered. In addition, each user can be assigned their own account via the Management codes function. This creates transparency! However, authentication via a card reader and chip card* is even more practical as then you no longer need to remember your password.

Technical data

General		Environment		Faxsystem (P-3527w MFP only)	
Type	Desktop	Noise level	approx. 47.2 dB(A), stand-by mode: immeasurable (DIN/ISO 7779/9296)	Compatibility	Super G3
Function	P-3521 MFP: Copy, print, scan P-3527w MFP: Copy, print, scan, fax	Safety	GS/TÜV, CE	Original format	max A4
Print technology	Laser b/w	Print system		Modem speed	33.6 kbps
Original format	max A4 from platen glass	Type	Print	Transmission speed	3 seconds or less using JBIG
Original feeder	50 sheet A4 (standard, A6R-A4), 50-160 g/m ²	format	Print	Compression method	JBIG, MMR, MR, MH
Copy/print speed	max 35 A4 pages/min, duplex: max 17.5 A4 pa ges/min	resolution	Integrated within the system	Fax resolution	Standard (200 x 100 dpi), fine (200 x 200 dpi), super fine (200 x 400 dpi), ultra fine (400 x 400 dpi)
1st page	6.9 seconds (copy)* / 6.8 seconds (print)*	Processor	600 x 600 dpi, 1,200 x 1,200 dpi	Fax memory	3,5 MB image buffer
Warm-up time	P-3521 MFP: 17 seconds P-3527w MFP: 20 seconds	Interfaces	Cortex-A9, 800 MHz	Abbreviated dial	200 numbers
Copy resolution	600 x 600 dpi 256 1 x 250 sheet universal	Network protocols	USB 2.0, 10/100/1000BaseTX, USB-Host, SD slot, Wi-Fi (P-3527 w MFP only)	One touch dial	100 numbers
Greyscales	cassette (A6R-A4),	Operating systems	TCP/IP, Net BEUI	Group dial	50 numbers
Paper feed	100 sheet multi-bypass (A6R-A4 [min 70 x 148 mm, max 216 x 356 mm])	Emulations	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2, Linux, Mac ex OS 10.5	Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2
Paper weights	Universal cassette 60-163 g/m ² , multi-bypass 60-220 g/m ² , duplex 60-163 g/m ²	Functions	PCL6 (PCL 5e, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIe, Line Printer, IBM Proprinter, Epson LQ-850, PDF 1.7, XPS, Open XPS	Functions	Network fax driver, automatic redialling, delayed transmission
Paper output	150 sheet A4	Scan system		Options	
System memory	512 MB RAM, max 1,536 MB RAM	Scan type	CIS colour and b/w	Paper feed	max 2 x PF-1100 (250 sheet universal cassettes [DIN A6R-DIN A4, 60-163 g/m ²])
Continuous copying	1-999 copies	Scan format	max A4	Other options	Card authentication kit (B), UG-33 ThinPrint® kit, cabinet no. 78
Zoom	25 %-400 % in steps of 1 %	Scan speed	b/w: max 40 A4 originals/min, colour: max 23 A4 originals/min with 300 dpi	*Depending on operating status.	
Functions	Touch screen (4.3 inch for P-3527w MFP only), duplex, job reservation, job programs, ID card copy, continuous scan, skip blank pages, N-up, quiet mode (half speed mode), 100 Management codes	Scan resolution	200 dpi, 300 dpi, 400 dpi, 600 dpi		
Dimensions/Weight		Scan mode	Photo, text, photo/text, OCR	Specifications subject to change without notice.	
Dimensions	437 x 417 x 412 mm (H x W x D)	File types	TIFF, JPEG, PDF, high compression PDF, PDF/A-1, XPS	Image shows machine with optional accessories.	
Weight	approx. 19 kg	Interfaces	10/100/1000BaseTX, USB 2.0		
Environment		Network protocol	TCP/IP		
Mains voltage	220/240 V, 50/60 Hz	Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2		
Power consumption	approx. 982 W max, approx. 661 W in operation, approx. 21 W in stand-by mode, approx. 1 W in sleep mode, TEC value: 0.43 Wh/week	Functions	Scan to SMB, Scan to e-mail, Scan to FTP, Scan to USB, TWAIN scan, WIA scan, SMTP authentication, LDAP		

TA Triumph-Adler is the document business expert. We offer our clients individual analysis, consultancy and efficient document workflows – not only on paper, but also electronically and with long-term service. For whenever professional users manage, print, photocopy, fax, present or archive documents, or need to optimise processes, TA Triumph-Adler concepts and solutions are the first choice. Our customers benefit greatly from the user-optimised technologies offered by our innovative systems.
